2. Do not know whether Form 45A has been taken into consideration or not - or whether it in fact accompanies the 45's when they are sent to field. However, form 45A is SECRET and could not be sent at the same time. Mr. [REDACTED] says that he has some hesitancy about this change, but he did sign off.

3. Will you please advise if you wish to have the decision reversed or considered further before FMB concurs in the proposal.

4. I am also advised that shipment of forms to [REDACTED] are handled as [REDACTED]. You may wish to check into this also.
